| 11/15/2006 7:46 | Daughtry | Amy | Coastal Conservation League, Beaufort, SC | 2415 Pine Court N. | | Beaufort | South Carolina | 29902 | Please reconsider sonar testing off our East coastal waters. We have just won at least a temporary moratorium on offshore oil drilling in South Carolina. It upsets me that we may have a new battle to fight - in this case training that would be so harmful, if not deadly, to so many types of wildlife. Please work harder to find a better place - farther offshore, or whatever it takes - to conduct this training. I very much appreciate your consideration of this important matter. Thank you. |
