11/12/2006 20:02	Johnson	Peter	Duval Audubon Society						1) Please post the AFAST times in advance, or at least general timeframes, on your website. Then allow people to make comment about where they have been spotting whales or other marine mammals prior to commencement of AFAST. 2) Invite and fund independent, objective studies of the initial AFAST tests by well recognized experts to determine the effects on marine mammals.
