

ATLANTIC FLEET ACTIVE SONAR TRAINING
 ENVIRONMENTAL IMPACT STATEMENT (EIS)/ OVERSEAS
 ENVIRONMENTAL IMPACT STATEMENT (OEIS)

Written Comment Form

Your input is important to us. Please use this form to tell us about the environmental issues that you think should be studied in the Draft EIS/OEIS. Please feel free to use additional comment sheets if more space is needed. To ensure that your comments are considered in the Draft EIS/OEIS, we must receive them by December 1, 2006. You may also submit your comments online at <http://afasteis.gcsaic.com>.

I wanted to make sure that effects of sonar are well understood on whales. It is very sad when whales beach themselves on beaches up + down the East Coast and I heard that sonar might be a contributing cause for some. I am very pleased with your presentation and it seems you are studying the issue. Of course whales are big and noticeable and kind of an "indicator" species, so am glad to see you are studying
