3/16/2008 16:59	[Fleet training is important but so is responsibility to our ocean environment and the impact sonar has on marine life. That impact is felt by seacoast communities and fishing industries] 74 [And the long term devastation may not be reversible] Please amend your programs to eliminate harmful effects of your training. Thank you for your prompt attention to this matter]	Lorraine	M.	Allen	[REDACTED]	Sunnyside	New York	[REDACTED]
